

LIST OF JOURNAL INDEXERS RECOGNIZED BY ARU

S/N	Indexing Organization	Description	Subject /Disciplines
1	Scopus	<i>Scopus</i> is the “world's largest abstract and indexing database, was launched in 2004.	<ul style="list-style-type: none"> ▪ Life sciences, ▪ Social sciences ▪ Physical sciences ▪ Health sciences <p>Samples of journals in this index include;</p> <ul style="list-style-type: none"> ▪ Earth Science Review (ESR) Progress in Planning
2	Science Direct	This is a website which provides subscription-based access to a large database of scientific and medical research. Both Scopus and Science Direct belong to the same publisher Elsevier. The full-text articles published in those indexed journals by the Scopus database are located in Science Direct database.	<ul style="list-style-type: none"> ▪ Physical Sciences Engineering ▪ Life Sciences ▪ Health Sciences ▪ Social Sciences ▪ Humanities <p>Sample journals include;</p> <ul style="list-style-type: none"> ▪ Building and Environment ▪ Frontiers of Architectural Research
3	InfoBase Index	InfoBase Index is a comprehensive, multipurpose database covering scholarly literature from all over the world. InfoBase Index holds indexed records from active, international recognized journals. With InfoBase’s broad-ranging, authoritative coverage, you can be confident that you are not missing any critical information.	<ul style="list-style-type: none"> ▪ Includes reference coverage of the full range of scientific disciplines. ▪ It contains list of Journals covering range of disciplines such as Engineering, Economics, etc. <p>Sample journals include;</p> <ul style="list-style-type: none"> ▪ International Journal of Electronics, Communication and Soft Computing and Engineering ▪ Journal of Applied Economics and Business
4	IEEE Xplore	This is a research database for discovery and access to journal articles, conference proceedings, technical standards, and related materials on computer	<ul style="list-style-type: none"> ▪ Computer Science ▪ Electrical Engineering Electronics ▪ Geosciences <p>Sample journals include;</p>

S/N	Indexing Organization	Description	Subject /Disciplines
		science, electrical engineering and electronics, and allied fields. It contains material published mainly by the Institute of Electrical and Electronics Engineers (IEEE) and other partner publishers.	<ul style="list-style-type: none"> ▪ IEEE Geosciences and Remote Sensing Letters ▪ Engineering Management Review IEEE Transaction on Affective Computing
5	RePEc (Research Papers in Economics)	This is a central index of economics research, including working papers, articles and software code. It indexes over 3,200,000 items of research, including over 3,000,000 that can be downloaded in full text.	<ul style="list-style-type: none"> ▪ Journal of Economic Statistics ▪ <p>Sample journals include;</p> <ul style="list-style-type: none"> ▪ Journal of Economic Statistics
6	<i>Web of Science (WoS) or</i> ISI Web of Science	This is one of the largest and most reputable global citation databases. An index of the world's leading scholarly journals in the sciences, social sciences, arts, and humanities.	<ul style="list-style-type: none"> ▪ Sciences ▪ Social Sciences ▪ Arts ▪ Humanities <p>Sample journals include;</p> <ul style="list-style-type: none"> ▪ International Journal of Housing Policy ▪ The Journal of Real Estate Finance and Economics
7	AJOL (African Journals Online)	African Journals Online (AJOL) is the world's largest and preeminent platform of African-published scholarly journals. It indexes and promotes African-published journals using the web.	<ul style="list-style-type: none"> ▪ Agriculture & Food Sciences ▪ Aquatic Sciences Art ▪ Architecture ▪ Biology & Life Sciences ▪ Chemistry, Mathematics & Physics ▪ Earth Sciences ▪ Economics & Development ▪ Education ▪ Environmental Sciences ▪ Finance & Management ▪ Fish & Fisheries ▪ General Science (broad subject

			Systems (AJIS)
9	<i>OARE</i>	OARE provides developing countries with free or low cost access to peer-reviewed journals, books and databases on the environment--. It is led by UN Environment in partnership with leading scientific publishers and Yale University.	<i>Multidisciplinary</i>
10	<i>OAJI</i>	Open-access database, OAJI (Open Academic Journals Index), was established on July 4, 2013. Conceived in 2013 as a database for scientific journals, it was developed in 2014 into a full-text platform for the submission of peer-reviewed papers as well. The database is serviced by the Cherkas Global University's research information lab. The Current Global Index of the Journal (CGIJ) OAJI is created taking into account the current global trends and challenges in the field of indexing the scientific journals. CGIJ OAJI considers the scientometric citation database (WoS, Scopus), as well as the basic database of open access (DOAJ).	<i>Multidisciplinary</i>
11	INDEX COPERNICUS INTERNATIONAL (ICI)	ICI World of Journals is the third largest international database. In 2014 the number of	Medicine (miscellaneous), History, Economics and Econometrics, Education, Cultural Studies, Philosophy, Family Studies,

S/N	Indexing Organization	Description	Subject /Disciplines
		registered journals amounted to about 22 thousand. ICI Journal Master List is an international indexing database of scientific journals that has been evaluating the submitted periodicals since almost 20 years.	Ecology, Law, Art,
12	<i>GeoScienceWorld</i>	A comprehensive resource of eBooks for researchers in the Earth Sciences	Mining Engineering; Earth and Ocean Sciences
13	<i>AMS</i>	The American Mathematical Society is dedicated to advancing research and connecting the diverse global mathematical community through publications, meetings and conferences, MathSciNet, professional services, advocacy, and awareness programs.	Engineering, Maths and Statistics, & Physics and Astronomy
14	<i>INSPEC</i>	INSPEC is a major indexing database of scientific and technical literature, published by the Institute of Engineering and Technology (IET), USA. Inspec indexed few journals publishing high quality research by integrating technology into management, economics and social sciences domains. The sample journals include Annual Review of Financial Economics,	INSPEC coverage is extensive in the fields of physics, computing, control, and engineering. Its subject coverage includes astronomy, electronics, communications, computers and computing, computer science, control engineering, electrical engineering, information technology, physics, manufacturing, production and mechanical engineering

	Journals	established computing research for both practical and theoretical applications available in print and online. ACM publishes more than 50 scholarly peer-reviewed journals in dozens of computing and information technology disciplines.	<p>software engineering</p> <ul style="list-style-type: none"> ▪ Graphics and networking, ▪ Internet and Web technology, ▪ Computational logic and storage issues <p>Sample journals include;</p> <ul style="list-style-type: none"> ▪ ACM Computing Reviews <ul style="list-style-type: none"> ▪ ACM Computing Surveys
18	AIS JOURNALS	The association publishes journals, organizes conferences, and provides a forum for information systems professors and managers. Exclusive access to the AIS eLibrary, one of the most comprehensive and extensive eLibraries in the field of information systems with 16 journals.	<ul style="list-style-type: none"> ▪ Information Systems <p>Sample journals include;</p> <ul style="list-style-type: none"> ▪ Journal of the Association for Information Systems ▪ Journal of the Midwest Association for Information Systems (JMWAIS) <ul style="list-style-type: none"> ▪ The Journal of the Southern Association for Information Systems
19	SIAM Journals	SIAM publishes 18 peer-reviewed research journals and is the leading source of knowledge for the world's applied mathematics and computational science communities. The full text of all SIAM journals are available electronically by subscription.	<ul style="list-style-type: none"> ▪ Multiscale Modeling and Simulation ▪ Financial Mathematics ▪ Matrix Analysis and Application ▪ Imaging Science ▪ Applied Dynamical System <p>Sample journals include;</p> <ul style="list-style-type: none"> ▪ Journal on Applied Algebra and Geometry ▪ Multiscale Modeling and Simulation: A SIAM Interdisciplinary Journal <ul style="list-style-type: none"> ▪ SIAM Journal on Mathematics of Data Science
20	Sage Publication	Is an American independent academic publishing company founded in 1965 in New York City. It is a	Business, humanities, social sciences, science, technology and medicine.

S/N	Indexing Organization	Description	Subject /Disciplines
		global academic publisher of books, journals and library	
21	Taylor & Francis	Is an international company originating in England that publishes books and academic Journals.	Built environment, humanities, information science, language and literature, mathematics & statistics, social sciences, communication studies, computer science, Environment and sustainability, urban studies
22	Emerald insight	Emerald is a global publisher providing high quality, peer reviewed research with a portfolio of over 300 journals, more than 2,500 books and	Marketing, management, human resources, commercial music, quality, economics, information management, operations, engineering, production and property, education, health social care
23	Edward Elgar	Edward publishing founded in 1986 is an independent family-owned international publisher, with offices in United Kingdom. is a leading international academic and professional publisher with a strong focus on social sciences and legal fields.	Law, Economics, Management and Leadership studies
24	Top Publishing Journal	Is an award-winning independent book publisher founded in in 1999 and published over 2000 titles in the UK and around the	Physics, Astronomy and Astrophysics, Atomic and Molecular physics, Biomedical engineering, condensed matter, environment and energy, instrumentation and measurement, materials, mathematics and computation,
